Notes :

1. The quantity of the estimated production, which has a tolerance percentage of +/- 10%, shall be subtracted with the record of the sales vouchers in the attached table, which shall be filled out and signed by the entrepreneur, as well as by the Inspection & Certification Organization at the end of the present certificate's validity period.

2. In the event that the produced quantity exceeds the estimated production by + 10% of this, an additional certificate is issued after the interested party's application, which is necessarily accompanied by the relative documentation.
